Dear Professor Mojica and Gwen,

We are pleased to inform you that you have been selected for the 2018 Provost's summer student-faculty research program! *Congratulations!*

You both will be working together on your proposed project which will run from June – August 2018. The number of hours devoted to this project is completely up to you, and you are highly encouraged to submit your findings for possible publication, presentations, etc.

Professor Mojica – an honorarium of \$750 will be provided to you to be paid around late June. You may use that money for yourself, supplies, or whatever else you deem appropriate for your research project. We will ask that you prepare a short report on your student mentee's performance at the end of the summer. Gwen – you will receive a total stipend of \$500.

Each student in the program will be asked to do the following:

- 1) Submit two blog posts throughout the summer about their experiences, which will be posted on the website.
- 2) Read documents provided about scholarly research and research design/methodology.
- 3) Write a two-page report at the end of the summer.

The program website will be updated to include information on all accepted projects and student-faculty teams. Feel free to view it now for past projects and photos from our recent research showcases. It can all be found at: <http://www.pace.edu/office-student-success/programs-current-students/undergraduate-research-initiative>.

**Please sign and return one copy of this letter to me to indicate your acceptance of the award and your understanding of the terms by **Monday, June 11, 2018**. You can either scan the signed letter as a PDF or take a picture of the signed letter and email it.**

Congratulations once again on being selected to carry out your proposed project, and good luck!

Sincerely,

Nasreen Hussain
